President's Corner

Hello All. Are you ready to camp? School is out and that means time for family vacations. Hopefully you have something fun planned. At the end of the month I am headed to Escanaba, MI. Hopefully the weather will cooperate at International this year. Rain or shine we still have fun, it is what you make it!

We had a joint rally with Texas Gulf Coast Unit in Zavalla and Gary & Linda Shelton attended. Linda wrote a little article and sent pictures for the newsletter. Thank you Linda for your contributions. It takes a team to make a Unit work.

I have scheduled our Business Meeting Rally for September 22—24 at Schulenburg RV Park. You can find all the information on the last page of this newsletter on the Rally Schedule. It is very important to have as many members at this rally so we can discuss the Unit. There will also be some tours lined up and meals planned. I hope to see you there.

If you will not be able to attend the September Rally, you can voice your opinion by email to be read at the meeting.

Happy Trails.

Doug Wylie
President

Life is a challenge, meet it.

Life is a duty, complete it.

Life is a game, play it.

Life is a promise, fulfill it.

Life is sorrow, overcome it.

Be Happy, Not Perfect

There is no such thing as perfect.

Where did the word come from?

The perfect husband, the perfect job
the perfect house, the perfect marriage.

We are all human, living in a human world.

Most are nice, sincere, loving, even kind.

But perfect causes such unhappiness.

Perfect is unreal, untouchable.

Accept good, well done and wonderful.

Do your best, be your best.

There is no such thing as perfect.

Be happy, not perfect.

There was a whole lot of fishing going on at the Doc Cain Fishing Tournament Rally in Zavala....not real sure about the catching but awards were given in a lot of different categories for fish that were caught!!

The theme for this years rally was "Jaws" and the movie with popcorn and M&M's was watched Thursday night. It's amazing that a 42-year-old movie can still make people scream!!

Friday was a free day to explore the surrounding area with lots of visiting at Happy Hour. The evening meal was all the catfish and mudbugs (crawfish) you could eat along with corn on the cob, coleslaw and hushpuppies. Then to top off all that "The Junk Food Junkies" arrived with fried funnel cakes, Oreos and Twinkies for dessert!! There was a lot of story telling around the campfire afterwards, not sure how much was true??? It was a fun night.

Saturday the fishing began for those eager enough to get up at dawn, never have understood having to get up so early to fish. What do you do, catch them when they yawn???? Anyway, while the men and a few women fished there were other activities for the ones left behind....shopping, joker, train, etc.

Saturday night was potluck with lots and lots of great food!! One thing Airstreamers know how to do is cook, well, except one...me! I can warm up with the best of them!! After eating, awards were given to the winning fisherpersons. The awards were some really good stuff....Fred Richardson did a bang up job!!

The evening was filled with more games and another campfire....lots of hugs and goodbyes from those leaving early Sunday morning.....another great rally in Zavala!

Texas Gulf Coast Unit and Texas Hill Country Unit had a joint rally in Zavalla at Texas Airstream Harbor. Linda and Gary Shelton attended this rally and provided these pictures.

CC Gartman admiring his reflection on the Junk Food Junkies Airstream! Looking good CC!

There are beautiful sunsets at TAHI. On the right, Harry Harkey is listening to another fish story.

Sympathy and Prayers

Shannon has re-scheduled her surgery for August 15th. Please pray she gets answers she can have her surgery.
